I think Laura is correct on elevation being more properly Water Division rather than CED (or both I guess if we need to). Can you change that?

Thank you, Karen, for the fast reply regarding the status of the BDCP MOU.

I noticed mid-level elevation lead for EPA is Division Director, CED. Since you, Erin, and Tom have been the primary participants so far...should we also identify Division Director, Water Division (or you) as a co-lead for mid-level elevation?

Who will be the staff leads for this MOU and the Cooperating Agency work? I am assuming it will be me and Erin. Anyone else?

Sheryl - Let me know if you wish a quick description of the Bay Delta Conservation Plan MOU and our involvement as a Cooperating Agency.

Hello Erin & Karen,

What is the status of the BDCP MOU?

I finally had time to review it. I understand Karen wanted to met with Kathy Goforth and I to discuss the MOU. Kathy will be returning from vacation on 7/25/11.
